Our desire is to discover and meet needs in our communities. We have a heart to see Albuquerque and surrounding communities develop into strong partnerships where families, churches and businesses work together to make a positive impact for the benefit of everyone. Our churches are part of our association by choice and have a desire to work together to meet greater needs than individual churches can meet themselves.

*John R. Torrison, Director
(505) 205-0529*

Partner churches serving Christ together for HIS glory!
