

The CBA East Mountain Campus was used by Cedar Crest Baptist Church which was started in 1987 and after 26 years of ministering to the East Mountains had to close.

The property is a 2,500 square foot facility that has had its water system upgraded, its plumbing upgraded along with a refrigerated air conditioning unit installed, a shower unit installed and a kitchen installed for use by groups. Wi-Fi is available, a flat screen TV, DVD/Blue Ray Player, video projector and white boards are also available.

This space can be used for small group gatherings, retreats, conferences or training opportunities. The facility can be used by a mission group that needs to stay somewhere for a few nights as well.

There are utensils, pots and pans in the kitchen for your convenience. We ask you bring your own paper goods (paper plates, paper cups, plastic ware and napkins). There is a Bunn Coffee Pot and pitchers available for your use.

The facility can seat 75 people when chairs are set up for a meeting or service and about 60 people at 60" round tables. There are also a few 6' long tables that can be used.

Minimal Fee for Use

To help recover the cost for upkeep, utilities and maintenance fees we ask for a minimal fee:
